

APPENDIX B
Asbestos Condition Report (ACR)

Part I: Asbestos Condition Report

- A. Attach a written statement that identifies/illustrates/documents the poor conditions of the asbestos, detailing material creating a potential health and safety hazard for the building occupants. The statement must be completed by a Certified Management Planner (Department of Environmental Protection (DEP) certification).
- B. Attach a written Renovation/Demolition Impact Report that identifies/illustrates/documents the asbestos problem(s) created because of proposed construction to remedy other health & safety Priority One projects. A DEP licensed consultant must complete the Report.

Information and reports will be reviewed by the Bureau of General Services in consultation with the Department of Environmental Protection.
